

HOFFMAN FLUSH MOUNTED, SCREW COVER NEMA 1 BOXES

AFE SERIES

Hoffman®

DESCRIPTION

The **Hoffman AFE Series** flush mounted screw covered boxes are designed to mount within a wall to serve as junction boxes or switch boxes. With the addition of a field-installed perforated subpanel, they may also be used to house controls and instruments in areas that do not require oil-tight and dust-tight ratings. The **AFE Series** is a gray powder coated steel enclosure and cover.

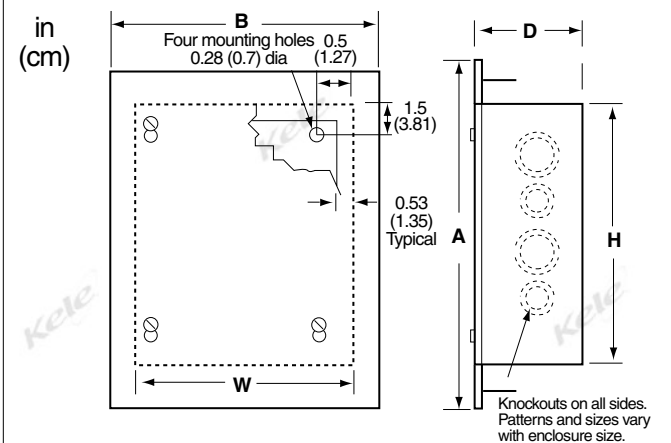

AFE Series
