KELE INSTA-PANEL ENCLOSURES NSTA SERIES

DESCRIPTION

The Kele NSTA Series Insta-Panel Enclosures were created for a fast turnaround on a control panel job, saving time and labor. **Instapanel**s are built at Kele in three sizes: small, medium, and large. Each panel is set up with transformer(s), terminal blocks, wire duct, convenience outlet, additional DIN rail and a perforated back panel for easy mounting of customer parts. Pick the size panel based on the interior space necessary for mounting components. Choose from NEMA 1 or NEMA 4/12 enclosures.
